We don't do religion. We do relationship.

3. Jesus Offers More Than Religion

The woman tells Jesus that she knows the Messiah is coming.

And Jesus reveals that He is the One she's been waiting for.

4. She Left Her Water Jar Behind

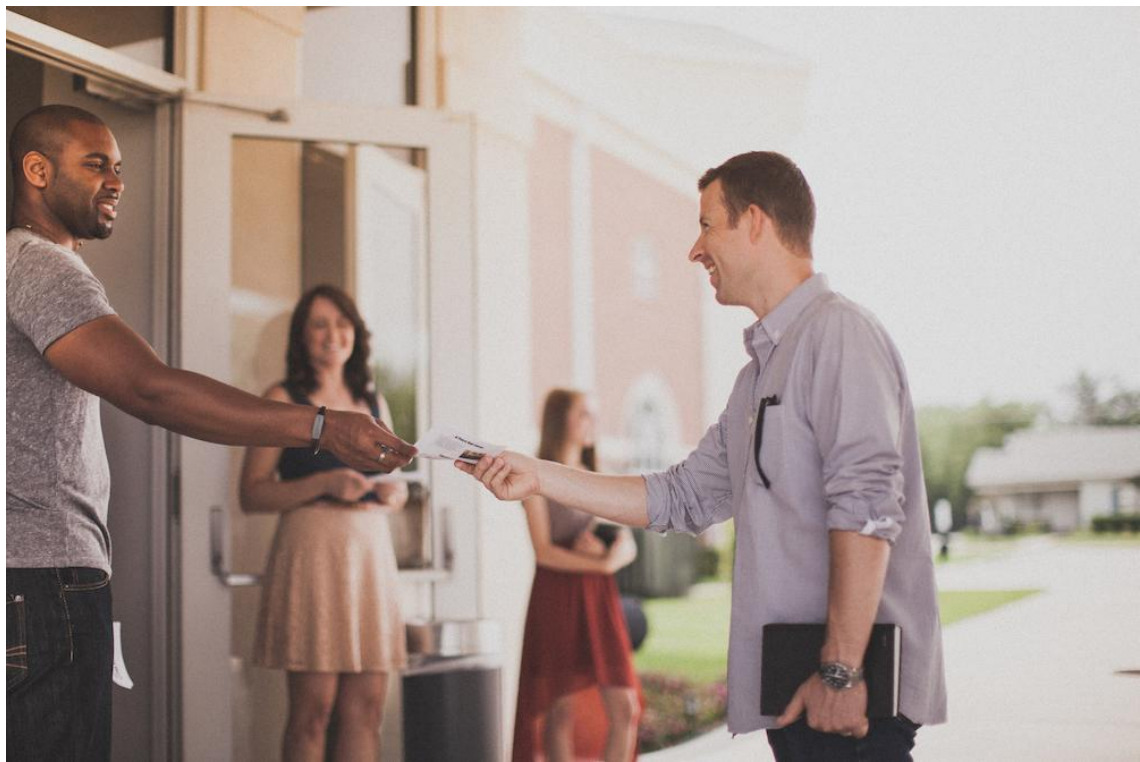

***John 4:28 (CSB): "Then the woman left her water jar, went into town, and told the people,"
Come see a man who told me everything I ever did!!!***

Look, I haven't got all the answers, but I can tell you what my faith means to me.

You can tell somebody how God helped you through a difficult time.

You can tell somebody how you found forgiveness.

You can tell somebody how your life began to change when you started following Jesus.

4. She Left Her Water Jar Behind

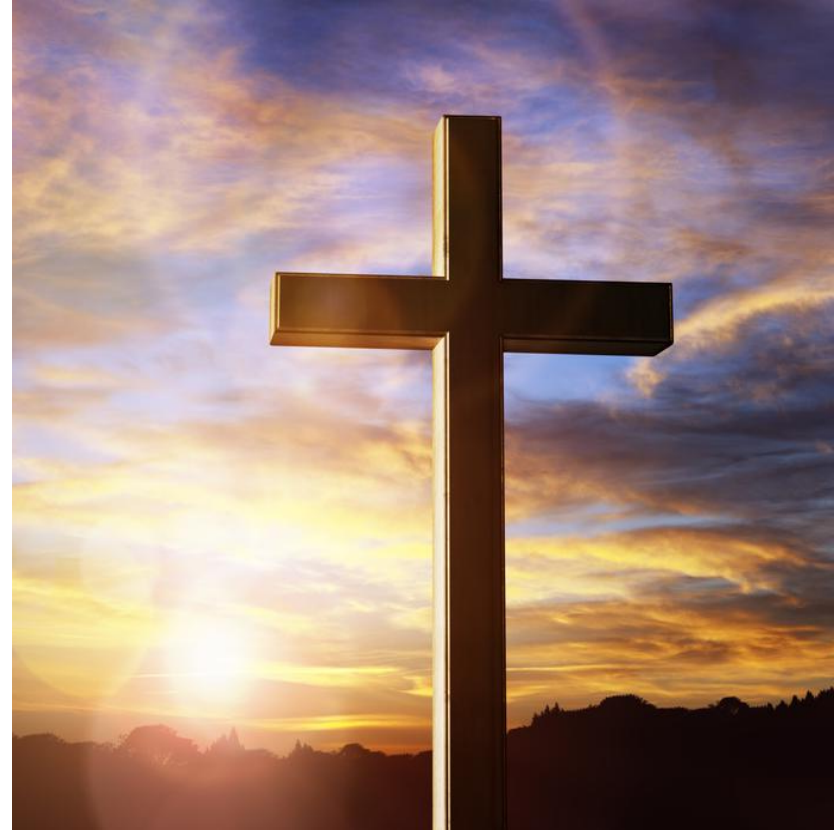

John 4:39–42, we're told that many Samaritans believed because of the woman's testimony, and many more came to believe after hearing Jesus for themselves.

5. What Does This Mean for Us Today?

First, stop allowing your past to define your future.

Second, let's be careful how we treat people.

Third, don't underestimate what God can do through you.

Jesus Is Still Meeting People at Their Wells

***Jesus offers something different.
He offers forgiveness.
He offers hope.
He offers a new beginning.***
